	Extra Eyes campaign presentation - Vicky Presland, Head of Design Due to lack of power in the building it was not possible to show the presentation. It was agreed to circulate the presentation via email to all members.	ER
	Casualty Reduction Scheme presentation - Ian Henderson, Senior Road Safety Engineer Ian gave the Panel an overview of his role at Essex Highways, and spoke to the Panel about Casualty Reduction Schemes. Panel Members had been provided with a report relating to the B1035 Clacton Road 10 metres north of junction with Pedlers Corner which covered the Collision Investigation Period from 01/01/2015 – 31/12/2017. Executive Summary of the report: Intervention works: To help to reduce the severity of collisions and to prevent loss of control of motor vehicles and Powered two wheelers on a rural bend. Principle: A study of the personal injury collisions along this section of Clacton Road show that there are issues of road users losing control on a tight rural junction on a bend. The report contained a site plan, along with a Personal Injury Collision Analysis, site photographs and Recommendations. There followed a discussion and questions surrounding the report and the process undertaken. It was agreed to circulate TAG guidelines to Members. Cllr Nicholls requested a visit from Ian's team to the Harwich Road junction at The Courthouse in Great Bromley. Officers undertook to circulate to members how to submit requests for Casualty Reduction reports. Officers thanked Ian for his informative presentation.	IH
